accra  
business  
school

### **ABOUT TEAM**

Theological Education and Mission Centre (TEAM) is the theological Department of Accra Business School, prestigious Government accredited Christian Business School in Ghana. TEAM seeks to equip and empower Christians to live out their faith in the world.

It offers a range of courses and programs designed to equip students with the knowledge and skills necessary to serve in Christian ministry. TEAM offers courses in biblical studies, theology, pastoral care, and mission, as well as practical training in preaching, teaching, Counseling and leading worship. TEAM also provides opportunities for students to engage in mission trips and other outreach activities.

### **OUR VISION**

Our vision is to create a learning environment that is rooted in the Bible and focused on developing the spiritual, intellectual, and practical skills of our students.

### **OUR MISSION**

Our mission is to provide quality theological education and mission training that is accessible to all, and to equip our students to be effective leaders in their communities.

### **OUR VALUES**

Our core values are faith, service, excellence, and community. We strive to create an atmosphere of mutual respect and collaboration, and to foster a spirit of unity and fellowship among our students.

### **COURSE DESCRIPTION**

The 8-week online Advanced program in Christian Marriage and Family Therapy provides students with the knowledge and skills necessary to become effective Christian marriage and family Counselors. The program focuses on the integration of Christian faith and practice with the principles of marriage and family therapy.

## AIMS

The aim of the Christian Marriage and Family Therapy program is to equip students with the knowledge and skills necessary to become effective Christian marriage and family Counselors. The program seeks to provide students with an understanding of the principles of marriage and family therapy, as well as the ability to integrate Christian faith and practice into their therapeutic practice.

## OBJECTIVES

1. To provide students with an understanding of the principles of marriage and family therapy.
2. To equip students with the knowledge and skills necessary to become effective Christian marriage and family therapists.
3. To enable students to integrate Christian faith and practice into their therapeutic practice.
4. To foster an environment of respect and understanding for the diversity of beliefs and values within the Christian faith.

## LEARNING OUTCOMES

Upon completion of the program, students will be able to:

1. Demonstrate an understanding of the principles of marriage and family therapy.
2. Apply the knowledge and skills necessary to become effective Christian marriage and family therapists.
3. Integrate Christian faith and practice into their therapeutic practice.

4. Respect and understand the diversity of beliefs and values within the Christian faith.

## COURSE CONTENT

The Christian Marriage and Family Therapy program includes the following courses:

### 1. Christian Marriage and Family Therapy

Christian Marriage and Family Therapy is a course that focuses on the application of Christian principles to marriage and family therapy. It explores the role of faith in the therapeutic process and examines the impact of religious beliefs on the family system.

### 2. Assessment and Diagnosis in Marriage and Family Therapy

This course provides an overview of

the assessment and diagnosis process in marriage and family therapy. It covers the theoretical foundations of assessment and diagnosis, the use of assessment tools, and the application of assessment and diagnosis in clinical practice.

### 3. Treatment Planning and Intervention in Marriage and Family Therapy

This course provides an introduction to the principles and practices of treatment planning and intervention in marriage and family therapy. It covers the theoretical foundations of treatment planning, the development of treatment plans, and the implementation of interventions.

### 4. Ethical and Legal Issues in Marriage and Family Therapy

This course provides an overview of ethical and legal issues in marriage and family therapy. It covers topics such as professional ethics, confidentiality, informed consent, boundary issues, and legal issues related to marriage and family therapy.

### 5. Cultural and Social Contexts of Marriage and Family Therapy

This course provides an overview of the cultural and social contexts of marriage and family therapy. It examines the historical, cultural, and social influences on marriage and family therapy, as well as the impact of these contexts on the practice of marriage and family therapy.

### 6. Human Development and Family Dynamics

Human Development and Family Dynamics is a course that explores the development of individuals and families across the lifespan. It examines

the biological, psychological, and social factors that influence development, as well as the impact of family dynamics on development.

### 7. Sex in marriage

This course provides an overview of the various aspects of sex in marriage. It covers topics such as communication, intimacy, sexual health, and sexual satisfaction.

This course provides an overview of the various aspects of sex in marriage. It covers topics such as communication, intimacy, sexual health, and sexual satisfaction.

### 8. Introduction to Psychology in Marriage and Family Therapy

Introduction to Psychology in Marriage and Family Therapy is a course designed to provide students with an overview of the psychological theories and concepts that are relevant to marriage and family therapy. The course will cover topics such as family systems theory, attachment theory, cognitive-behavioral therapy, and psychodynamic approaches.
